

The Beaver Trading Post Game

In this game you have to make a lot of money.

You start the game with £100 in Beaver money.

You have to buy the material needed to make things from the Trading Post Sells stall.

You then have to make the items that the Trading Post wants to buy.

When you have sold one thing, you can buy more material to make other things.

The more you buy, the more you make and you sell and the more money you make.

The winning lodge is the one that has the most amount of money after the £100 is taken away.

Look at the list below and see what you need to buy from the Trading Post in order to make the things you can sell back to the Trading Post.
