Driving directions to Camp Traill from Ottawa:

Take hwy 417 west to hwy 416 south to hwy 401. Drive west on hwy 401 towards Kingston for 25 km and exit at interchange 696, the second of the two interchanges for Brockville. Turn right onto rte 29 towards Smith Falls and drive about 13.5 km to the outskirts of Fortthton, where you turn left onto rte 42 towards Athens. It is then 8.5 km to the flashing yellow light in the middle of Athens, where you turn left onto rte 40 towards Charleston. 5 km further on from the flashing light, turn left onto Beales Mills Road. This turn comes up rather quickly; there is a small road sign at the intersection that says, "Beales Mills/Boy Scouts/Camp Traill", but it is easy to overshoot it if you are not ready for the turn. It is then 4 km to Camp Traill at 122 Beales Mills Road, a blue gate on the left at the bottom of a hill. Beales Mills Road starts off as paved but turns to gravel; there are two blue and white signs along Beales Mills Road that point to Camp Traill. Driving time from the centre of Ottawa is about one and a half hours, 145 km.
