Dear Sir/Madam,

Each year the Merrickville Scout group hosts a Hobbies & Wheels event for 150 Beavers, Cubs, and Scouts. These kids are drawn from communities across the area, including Smiths Falls, Carleton Place, Perth, and everywhere in between. The event is a combination hobby show and Beaver Buggy, Kub Kar, and Scout Truck racing event.

The Kub Kars are small wooden models, built by kids 8-10 years old, and are propelled by gravity down a 32 foot track. A kit is enclosed with this letter.

We would like to give you and your fellow automobile related companies an opportunity to display your skills by building one of these models. We invite you to attend a "Dealer Derby" to be held in conjunction with the main event at the Merrickville Community center on Saturday April 29th at 12:00pm. You will have the opportunity to race your vehicle against those of the other companies.

All we are asking for is a minimum donation of \$50.00, as an "entry fee". Cheque should be made payable to Scouts Canada.

A tax receipt will be issued for the full amount of the donation, and recognition will be given in our promotional material as well as on our website. The winner will also have bragging rights as the best Kub Kar designer in the area.

Thank you in advance for supporting and strengthening the Scouting Movement.

Yours Sincerely,

Allan Yates
