From Kingston, travel north on the Sydenham Road to the village of Sydenham (turning left at Moon's Corner). It is approximately 20 kilometres to Sydenham. At the first intersection in the village, turn right. Turn right again at the T-intersection (you will then pass the IGA Supermarket). Bear right after the IGA, passing the Beer Store. Follow this road and the signs to Frontenac Provincial Park for approximately 11 kilometres. You will come upon a sign for the Park. **TURN RIGHT** onto Salmon Lake Road. Follow this road for 1.9 kilometres. A Scouts Canada sign is posted on the left side of the road at the entrance to the camp. (If you get to the Park, you've gone too far!)
