The 1st Merrickville Cub Pack is pleased to introduce the 2006 Valley Highlands Cub Camp Impeesa – Operation Boot camp! Activities

Aerial Runway (Zip line)

Need to escape from the enemy in a hurry? Jump on the seat and hurtle down 100' faster than a speeding bullet!

Stretcher Carry

Your buddy is injured? Need to get him out of the line of fire? Construct a stretcher from natural materials and race it out of danger. Beware of the incoming projectiles....

Semaphore

Need to talk to your buddies without anyone hearing you? Learn the techniques of semaphore and send your platoon in search of the enemy. Decode the secret messages.

Stealth Hunt

Can you sneak up on the enemy without being seen or heard? Can you hide and not be found? Learn how to make yourself disappear. Sneak attacks and all!

Dog Tags

If worse comes to worse, we need to know who you are. Make you own metal dog tag to take home.

Field Gun Race

Direct from the Royal Tournament in the United Kingdom. Working in your platoon, dismantle a field gun, carry the parts around the obstacles, send it across a miniature aerial runway, put it all back together again, and race it to the finish line. May the best platoon win!

Weaponry

Privates can't train for the army without weapons practice. Learn the safe usage of sling shots. Put your knowledge to the test on the target range.

Assault Course

Are you in good enough shape to run circles around the enemy? Fit enough to survive? Strong and agile? Test your mettle on our assault course. Elements will include a commando bridge, a 6' scaling wall, barbed wire to crawl under, and a scramble net to climb over. Just wait for the leader competition...

Ration Pack Lunch

Learn what it's like to eat in the field. Every bite is a surprise!
