

Camp Impeeza - 2003

The annual Valley Highlands area camp is upon us again. Cub packs from all across the area participate, making this a very exciting program with 100s of Cubs in attendance. Last year's medieval theme was an unqualified success with all the Cubs who attended.

This year's theme is a World Tour. Each pack will be representing a different country. The packs will be showcasing the countries with appropriate dress, a game, an activity, and a food. We will be doing Peru – and having lots of fun with it!

All the Cubs participating will be earning their World Cubbing badge.
