The Wild West

Transit to and from camp is full uniform (no sash).

The annual Valley Highlands area camp attracts approximately 100 Cubs from a number of packs. For the past couple of years, the Cubs have really enjoyed the experience of competing against and mingling with other Cub packs.

The theme this year is *The Wild West*. A completely different set of activities, compared to our spring camp, is planned. Cubs are strongly encouraged to bring a costume appropriate to the Wild West.

Tenderpads (the White Tail Beavers that have swum up to Cubs) are encouraged to participate. Most Cubs rank camping as one of the best parts of Cubbing. Cubs that just went up to Scouts are also invited.

The consent form and payment are due no later than **May 25th**, preferably by **May 18th**. Method of payment is cash or cheque payable to "Mike Jackman".

Maps to the camp are available.
