Important items to note:

1. \$25.00 non-refundable deposit per pack is a commitment to attending. This will also allow time for monies to be collected from youth/parents.
2. If participants would like to link with another pack, please let us know.
3. A list of the programs with a brief description of each is listed below for your review. Once we have received your registrations with your choices of activities, we will plot out the schedule for your pack for the weekend.
4. There are eight elective activities to choose from, and you need to choose five. BP Village is a mandatory stop for all packs and will make up the 6th activity in your roster. We don=t foresee any difficulty in accommodating your requests and hope you have a blast at the event! However, as the registrations will be dealt with on a first come/ first serve basis, don=t delay in returning your registrations to us as soon as possible.
5. At this time, we are planning for parking to be off site. Arrivals and departures are still in the planning stages. Please refer to our web site for updates.
6. Information and order forms for memorabilia for this event will be posted on our website at: www.voyageur.scouts.ca/cubcamp

5. The eight **programs of choice** are as follows:

- 1) *Five Spit Balls*: Can you shoot an arrow or sling shot hard enough to reach all the way to Smiths Falls, just like when Joe put out that forest fire?
- 2) *Calabogie Lake*: Is that a one-eyed bass out there? It sure makes a Big Splash!!! **(Bring change of clothes)**
- 3) *Joe's Bullfrog*: Can you find a bullfrog bigger than a horse or barks like a dog or runs faster than a train? Come explore the pond to see if one's there!
- 4) *Climbing Mount St. Pat*: They say that Mufferaw Joe created Mount St. Pat to hide the dinner that he didn't want to eat. Get ready for a trip to the Madawaska Highlands by trying out this ropes course.
- 5) *Workin' Up a Sweat*: Now old Joe loved making things and workin' up a sweat - make some souvenirs to remind you of Mufferaw Joe and the glory days of logging from so long ago.
- 6) *In Just One Day*: Get in a canoe and see just how much work it took Mufferaw Joe to build the Rideau Canal in Just One Day! **(Bring your own PFD)**
- 7) *What the Old Folks Say*: The Algonquin and Mohawk peoples were here before Mufferaw Joe came through - come hear their stories and do some things the aboriginal way.
- 8) *Timber on the Mississippi*: Everyone round Carleton Place still remembers how the Mississippi dripped off of Big Joe's face when he was sawing logs. Build a log raft and race them down the Mississippi.

Mandatory station for all packs:

B.P. Village: Find out about another real legend, Lord Baden-Powell, the folk-hero of Scouting
