Recipes

Pizza Pockets

Ingredients: Pita bread, spaghetti sauce, grated Mozzarella cheese, sliced pepperoni, other toppings as desired.

Cut pita in half and spoon spaghetti sauce into pocket spreading evenly. Add mozzarella and pepperoni and any other "toppings" you wish.

Wrap in heavy duty foil and place in coals. Cook for 1 1/2 minutes on each side. You just want it to get warm and to melt the cheese. For really hot coals this is plenty of time.

Brown Bears

Wrap tinfoil around marshmallow sticks.

Wrap Pillsbury dough over tinfoil. Only one layer thick.

Toast dough over fire; ensure fully cooked.

Coat with melted butter. Sprinkle with cinnamon sugar mixture.
