Location: Charleston Lake
Cost: \$0

Depart Community Centre: 8:00am (full uniform, no sash)

We are taking the Cubs mountain climbing at Blue Mountain on Charleston Lake. There is a very good view from the top of the mountain. We will be having lunch and playing some games at the summit.

Note, this is not rock climbing with rope and harness.

Due to the travel distance involved, we will be car pooling from the community centre. A number of drivers will be required. If you are not able to drive, please supply your child with \$4 to be paid to the driver of their car to help defray gas costs.

Parents are welcome to participate in this activity.

Maps will be made available.

Please return the attached consent form by November 30th.
