Every year we participate in the Merrickville Remembrance Day parade and ceremony.

We will be meeting at the Royal Canadian Legion in Merrickville at 10:15am. We will be parading to the Cenotaph for the ceremony. After the ceremony, the Cubs will be fed lunch in the community centre. Cubs should be retrieved from the community centre at approximately 12:15pm.

We do need a few helpers to cook the hot dogs/etc at the community centre during the ceremony so they are ready for the Cubs once the ceremony is complete.

It is very important that we get a good turnout for this as not only is this a very important tribute, but we know of a number of Scouts from Merrickville who gave their life for their country, and the Legion is our official sponsor and takes very good care of us.

Full uniform!
