Changes to this schedule may occur if our meeting hall inadvertently becomes unavailable, or guests cannot make the scheduled night. Your patience for any late notice would be greatly appreciated as this affects us all.

We still collect toner cartridges, ink jet cartridges, and old cell phones (they don't need to work). These are sold to a recycler to raise funds for the group.

The Broadway Bar & Grill in Kemptville donates 10% of your receipt to us, just mention team #161.

We are also collecting tuna cans for an upcoming project.
