As part of their preparation for Scouts, our senior Cubs have been invited to participate in a Scout winter camp. They may either attend just for the day of activities, or may stay for the night as well and sleep with the Scouts under the stars.

Visiting a Scout camp and learning about their camping program is also one of the requirements for the Canadian Camper Award.

Further details on the camp are contained in the attached handout from the Scout troop. Please note that the Cub must bring their own food for Saturday lunch and supper as well as for mid-morning and mid-afternoon snacks. We will be working with the Cubs on how to best arrange this.

At least one Cub leader will be attending the camp, so the Cubs will have at least one leader that they know.

The completed consent form must be returned by Wednesday March 1st along with an indication as to where they will be staying overnight.
