Merrickville Scouting

The mission of Scouting is to contribute to the education of young people, through a value system based on the Scout Promise and Law, to help build a better world where people are self-fulfilled as individuals and play a constructive role in society. The Merrickville Scout group has a very strong focus on the outdoors. Many of the Beaver activities involve the outdoors, and the Cub, Scout, and Venturer programs have a strong emphasis on camping, hiking, canoeing, and the associated skills.

Camps

Cub and Scout camps combine a variety of activities. The youth all sleep in tents or homemade shelters. The Cubs help with the cooking and a few other tasks. The Scouts perform nearly all the tasks at camp, with the older Scouts teaching the younger ones.

Our past few camps have included activities such as: Fire lighting, flint & steel, aerial runway (zip line), orienteering, assault course, archery, sling shots, pellet gun shooting, canoeing, ropes courses, trail signs, water slide, and a water gun battle.

Venturer camps are often high adventure with week long canoeing trips, rock climbing, white water canoe, or even a medieval war flour bomb catapult war as the focus!
