Items discussed:

Security checks needed for those that don't have them

Need to get a schedule for the Community Centre – to avoid problems

Discussion of whether or not three older Cubs should stay or move to Scouts – decided to promote them to sixers and keep them in Cubs for one more year.

Leaders/Helpers – another Scout leader is needed – mention at Registration. Approaching parents to be on Group Committee – to be confirmed at next meeting.

Soapbox Event – Hope presented a list of the sponsors and the amounts donated. There was discussion of thanking the sponsors. Wrap-up meeting was good – all agreed it was a good event.

Fall Registration – **Wednesday, September 11, 2002** – Lee has booked the Fire Hall – time - 6.30 – 8.00 pm - how to advertise and coordinate it. Sheila agreed to take care of advertising – Phoenix if not too late, school calendar, EMC, Royal Bank, etc. Also to coordinate with the Guides. Used uniform items can be brought to registration. Space will be tight, but some can be outside if nice evening.

Lively discussion and concern about increase to \$70 registration cost from Scouts Canada.

Decided to have a fundraising/program budget sub-committee – George, Allan and Marion volunteered to get this started – it was suggested that the youth rep be involved as the Scouts have some good fundraising ideas. Need to find ways to help pay costs over the year.

Leaders were asked to send Allan/George their budgets and plans/ideas for program for the coming year in the next week. Ken also needs the Program plans from each group for the year.

Signed Activity forms to be sent to Allan after registration/first nights – all forms can be printed from Scouts Canada website.

Red Cross First Aid – send Allan \$35 to commit, then a date will be set – 8-10 leaders.
