

## 306<sup>th</sup> Manchester Scout Troop

# Hot 100 for 2005 **Answers**

Welcome to the Hot 100 for 2005. You are competing for the Reverend Albert E. Gibbins Challenge Trophy.

On the following 10 pages, you will find 100 questions, challenges, puzzles and tasks. The Patrol which successfully completes the highest number of these by 9:15 will win the trophy for this year.

In order to do well, you will need to work together as a patrol, and organise yourselves so that each person makes the best contribution they can towards the overall team effort.

You will be able to write the answers to some of the questions in the box next to the question. If you are doing a physical challenge which does not have a written answer, make sure a leader is watching you, and ask them to sign in the box.

At 9:15, a leader will inspect and mark your scavenger hunt items, and collect your other pages for marking. Any pages which are lost or not handed in will not contribute towards your final mark, so look after them.

Good luck.

### Rules

- 1) Do not remove anything from another patrol's table, or interfere in any way with what another patrol is doing. This includes copying answers from another patrol.
- 2) If you need to use some equipment that is being used by another patrol, **wait your turn**.
- 3) No Scouts are allowed into the kitchen under any circumstances unless accompanied by a leader.
- 4) Any decision of the leaders is final – points will be deducted for argument.

## Scouting Skills 1

One patrol member correctly light a tilley lamp.	Signature
How many pegs should a patrol tent have?	34 (+/- 4)
Describe what a wet bag is for	Filtering cack out of dirty water, or words to that effect.
Correctly put a sling on a leader.	Signature
